

March 18, 2010
Regional Management
Committee Meeting

Agenda Item 5. Update on
Regional Reporting and
Assessment Standards Task

General Progression in Development of Reporting and Assessment Standards

FY 2009-10 & 10-11 Reporting & Assessment Priorities

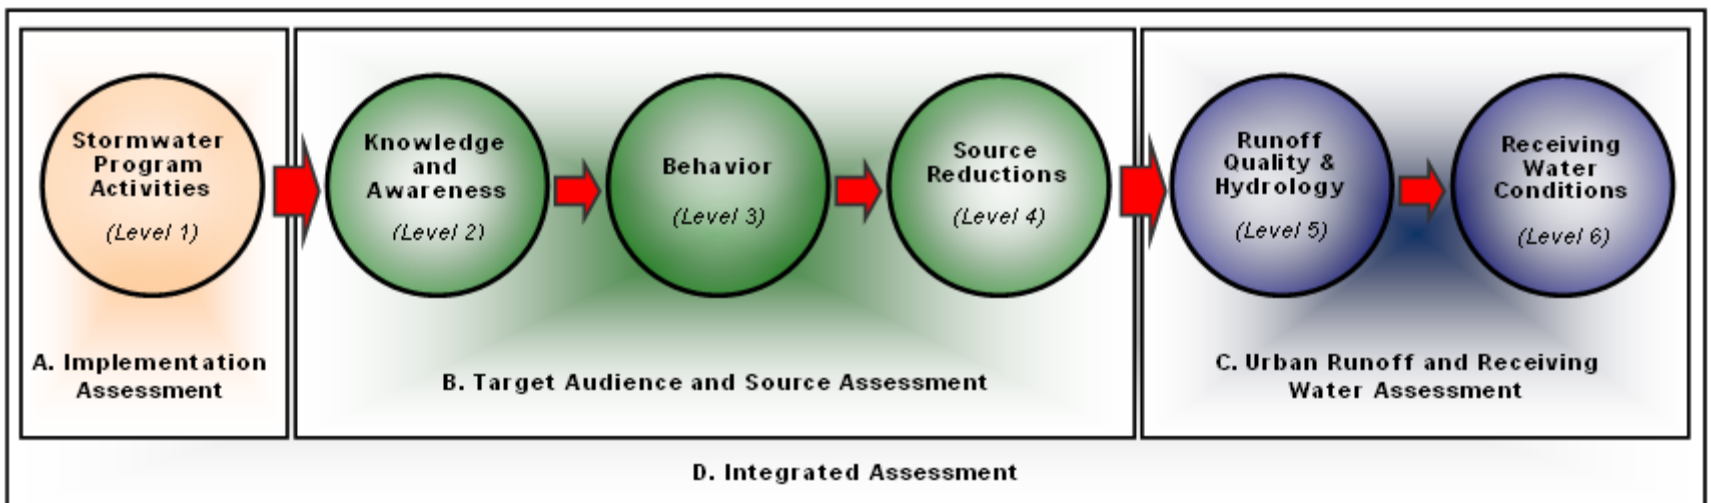

Task 1. Conduct a comprehensive survey of existing urban runoff management program (URMP) reporting and assessment measures (MOE: ~1 month).

Task 2. Develop recommendations and options for standardizing existing reporting and assessment measures (MOE: ~2 months after Task 1).

Task 3. Develop options for an integrated watershed assessment approach (RBF / Katz: ~90 days).

Task 4. Develop prototype annual report format to integrate JURMP, WURMP, RURMP, TMDL, and Monitoring Reports (Optional; 90 days after Task 3)

Upcoming Meetings / Events

- **Wednesday, March 31 → Task 1 Due**
- **Wednesday, April 7, 2010 → Joint FRA / Regional WURMP**
- **Other Meetings TBD**
