

NOTICE OF OPPORTUNITY TO COMMENT SANTA MARGARITA RIVER WATER QUALITY IMPROVEMENT PLAN UPDATE

November 5, 2020

project clean water

The Santa Margarita River Watershed Management Area (SMR WMA) Responsible Agencies, the Cities of Menifee, Murrieta, Temecula, Wildomar, County of Riverside, County of San Diego, and the Riverside County Flood Control and Water Conservation District are performing an update of the Water Quality Improvement Plan (WQIP) and are releasing the draft document for a 30-day public review. The update's focus is to incorporate the requirements of the San Diego Regional Water Quality Control Board 2019 SMR Estuary Investigative Order No. R9-2019-0007, including the Estuary and Watershed Monitoring and Assessment Workplan, into the WQIP.

The public is invited to submit written comments on the Draft Santa Margarita River Water Quality Improvement Plan Update during the public review period from November 5, 2020, to December 7, 2020. The Draft WQIP Update document is available for download on the Santa Margarita River Watershed Clearinghouse website:
