

# Be a Watershed Steward

*Be the Solution to Stormwater Pollution*

**Course Date: November 1 through December 1, 2016**

Attend a four-class series to learn how to be a **Steward** of your Watershed and create your own community project.

Help stop pollution from reaching our rivers and ocean.

Serve your community and help the environment at the same time!

Join us for a guided nature walk at [Mission Trails Regional Park] during the course's field trip class. Learn about your watershed and how to keep it beautiful.

Learn about sources of pollution in your watershed and how to prevent them.

Focus on a project of your choice and create a step-by-step plan.

Engage people in your area; come together to prevent pollution, improve the neighborhood and build community.

Watershed Stewardship course – [\$10 per person]  
YOU can be the solution to stormwater pollution.
