

Urban Southern California Coalition
Proposition 50 Project Summary
(Please limit the length of responses to the space provided)

County: San Diego

Sponsoring Agency: Padre Dam Municipal Water District

Project Title: Padre Dam – District Well

Preferred Proposition 50 Chapter (*Please identify appropriate Water Code Section where applicable, i.e. 795XX*):
Chapter 8. Integrated Regional Water Management. 79560.

Alternative Proposition 50 Chapter:

Project summary:

This project involves construction of wellhead treatment facilities to convert an existing untreated well for potable use. It is anticipated that this project would offset imported potable water demands by 0.5 million gallons per day.

Project Goal(s) and Benefit(s):

This project will provide approximately 300 gpm of sustainable, low cost water for the district. Use of this water will increase supply and lower costs.

Project status (*What phase is the project in now? Planning, Design Feasibility Study, Construction, Other*):

Planning is essentially complete. Permitting process currently underway.

Project Partners: None.

Project Timeline: Design – 2003-04, Construction 2005-06.

Was Project submitted for funding under Proposition 13? (*If yes, under what category?*)

No.

Total Project Cost (\$): 350,000

Local/Other Funding Committed (\$): None at this time. Other funding will be reserves, current revenues, and possible financing.

Proposition 50 Funding Request (\$): 175,000
