A topographic map of a region, likely a coastal plain or river valley. The map shows a network of rivers and streams, with the largest river flowing from the north towards the south. The terrain is color-coded by elevation, with green representing lower elevations and yellow/orange representing higher elevations. A purple line, possibly a boundary or road, runs horizontally across the upper portion of the map. The left side of the map shows a coastline with a bay or inlet. The text "APPENDIX A Hydrographs" is centered on the map.
