

A topographic map of a coastal region, likely in the southeastern United States. The map features a purple boundary line that follows the coastline and extends inland. The terrain is color-coded by elevation, with green representing lower elevations and yellow/orange representing higher elevations. A network of blue lines indicates the drainage system. A large bay or inlet is visible in the lower-left corner. The text "SECTION 15" and "References" is centered on the map.

SECTION 15
