

Notice of Availability

The San Dieguito Watershed Management Plan has achieved an important milestone.

The Draft San Dieguito River Watershed Existing Conditions Report is completed and ready for review! The document can be downloaded from the Project Clean Water website at http://www.projectcleanwater.org/html/ws_san_dieguito_stewardship.html. The document is approximately 181 pages.

The review and comment period will extend from May 13th through June 10th. Comments on the Existing Conditions report should be submitted using the attached form, and should include the section and page number associated with your comment. Comment forms may be emailed, faxed, or delivered to Lisa Kay at Weston Solutions at the following address:

Weston Solutions, Inc.
