

CLEANUP TIME AT THE RIVER

*San Diego River
Mission Bay segment*

Saturday, JAN 25, from 9 am to noon

Volunteers are needed to help remove refuse and some of the invasive plants on our “adopted” river segment that extends from I-5 west to the river mouth along the south edge of Mission Bay Park.

Wear work clothes preferably long pants, long sleeved shirt, hat, boots or sturdy shoes (no sandals or thongs) and use sunscreen. If you have them, bring work gloves and a weeding tool. **Meet at 9 am** at the work site.

For more information, or to RSVP, call **Jim Harrison, (858) 273 5242**
or **SDAS office (619) 682 7200**

The gathering point is on the little service road which runs along the north river’s edge. From Sea World Drive in either direction: at the stop light, turn south and go about 30 ft to the Service Road; turn right and go 1/2 mi to table.

From Sea World Dr, at the So. Shores Park stop light, go south about 30 ft to the service road, turn right and then proceed to our meeting place (table) about 1/2 mi west on the service road.
