

San Diego River Watershed Management Plan Public Workshop Evaluation

Thank you for attending this workshop for the San Diego River Watershed Management Plan. We are interested in obtaining any additional input you may have. Please take a moment to fill out this evaluation and feel free to add additional comments.

Which workshop did you attend and what is your zipcode?

How did you learn about the workshop?

What was the most useful portion of the workshop?

What were your expectations of this workshop and did we meet them?

What are the issues that you as a stakeholder in the San Diego River Watershed are most concerned with and why?

What are your expectations of the watershed management plan?

Do you have any additional comments, suggestions, or thoughts on the San Diego River Watershed Management Plan?

Please return this evaluation to Christian Braun, County of San Diego Department of Environmental Health. Please use the back of this form if necessary.
